## AROUND THE PRO SHOP ~ TOM VIZINA

What a start to the season! The golf course looks great, March and April have been unseasonably warm and we have many changes have taken place at the Oaks.

As most of you know Ryan has moved on and I have taking over the Pro Shop. Who am I? My name is Tom Vizina. I'm married, wife's name is Penny, and have two sons, Caleb (19) and Ian (16). We are original from Owatonna but have been living in Sault Ste Marie, MI for the last 15 years. You may see them throughout the summer but are not schedule to move here until this fall.

I am a class A PGA Professional and have been in the business for over 20 years. I have played a little competitive golf, having previously qualified for the National Club Professionals Championship. I love to teach and will be offering instructions throughout the summer. I will also offer custom club fitting for those who wish it.

I'm happy to be here. I want to thank the members and the Board of Directors for making me feel so welcomed. I look forward to meeting you all, so let's get out and enjoy the course and the early spring weather.

# 2010 OAK'S JUNIOR GOLF CAMP

**Dates:** Every Thursday from June 10<sup>th</sup> through August 12<sup>th</sup>, with the final day being the Tournament Day!

**Time:** 8:30 am – 11:45 am

**Fee:** \$45 for Members and \$50 for Non-Members  
(Also receive an extra \$5 for each additional child)

**Sign-Up:** Begins on April 29<sup>th</sup> for Members and Non-Members.

**Age:** All Junior golfers from the ages of 6-18 are welcome

The focus of our junior camp is to teach players of all levels the tools they need to have fun and be successful in the game of golf. Throughout the 9 week program, we will cover driving, iron play, chipping, putting, pitching, sand shots and golf etiquette. Each portion will be covered on two different occasions, so that if there is a conflict (such as swimming lessons or family vacation) the junior golfer will not be left behind the others.

Each student will be divided up into groups based on ability and age. The younger players will be on the course to begin the day play only a few holes and will also be accompanied by an adult or one of my staff. While the younger golfers are on the course, the older golfers will be having that day's lesson. Halfway through the day we will switch and the younger players will receive their lesson after a short pop break.

***Parental involvement is crucial!!*** Parents able to help out for only one day, make everything run smoother and hassle free. If you are able to volunteer, the kids and my staff would really appreciate it. Clubs are limited, so we encourage each child to show up with at least a wood, iron and putter.
