JUNE 2010

PRESIDENT'S MESSAGE - TIM SCHULTZ

June is here and now we are into the real golf season as our average temperatures are typically in the 70's.

Jeff Wendler and his crew have been doing a great job with the course and have been keeping it in excellent condition.

Please make sure you join us for the Heritage Classic this year as any funds raised go directly back into needed improvement for our club. The Heritage will be the last Saturday in June which is June 26th. Our Pro Tom will have the details for you in his section.

Tom has been doing an excellent job in his new role as the PGA certified Golf Pro. He has implemented improvements in several areas. If you haven't met Tom Vizina yet please stop in at the pro shop and introduce yourself and welcome him to our area. Tom has been a valuable addition to our course and has done a great job!

As a reminder we are now selling \$25 gift certificates to PrimeTime in our Pro Shop. You can buy 2-\$25 gift certificates for \$45 and 4-\$25 gift certificates for \$85 and for those that really want to take advantage you can now buy 40-\$25 gift certificates for the price of \$800 which is a \$200 savings.

Enjoy the month of June as we will be having some beautiful days to swing your club!

AROUND THE PRO SHOP ~ TOM VIZINA

Summer is finally upon us!! We have many exciting things going on at the Oaks in the month of June. Thursday Night League begins June 10th, with an organizational meeting June 3rd. Junior Golf begins June 10th as well. Finally, our summer long Match play will begin June 19th, you may sign up by calling or stopping in the Pro Shop. Entry fee will be \$20 for the first 36 players. The pairing will be drawn on June 18th and the first round played on June 19th. We will also have a US Open Member event on June 19th. **And most importantly on June 26th we have our Oaks Heritage Classic.** There is an inserted flyer in this month's newsletter with all the details. Please sign up for this very fun day of golf and help support your golf club.

I am looking forward to the junior golf program. I love working with children and try to make their lessons as fun as possible. The registration numbers are down, so if you're planning on registering your child please help us out by registering as early as possible. This will help in organizing the staff and volunteers.

In regards to the Match Play tournament, on Saturday, June 19th the tee times will start at 9:30 AM. After the initial matches, the participants will have to make arrangements and play their next match within two weeks.

In other happenings on the course, Steve Meyer had a hole-in-one on Hole #3. He used a 9 wood and had Bob Inwards witness the shot. Congratulations Steve!!! On your first hole-in-one.

Other congratulations are in order for those winners in the Memorial Day Couples event. Paul and Mindy Sparby won the low gross division with an impressive score of 67. They were followed by our own Phil and Sheri Heydt, who shot an even par 72. The low net winners were Josh Fernholz and Liz Smith. The second place finishers in the low net division were Tom and Dawn Morehouse. Congratulations for all who played and thank you for participating. Everyone had a great time.

Just a small note from the Pro Shop, merchandise has started to arrive. I have Footjoy and Adidas shoes and clothing. There is Nike, Ping, Cobra and Titleist equipment in stock and I can order just about anything you need for golf.

I have also started to give lessons, so if you need help with your game, stop in and we can schedule a lesson. My lesson fees are \$35/lesson or a series of 5 for \$140.

If I have not met you yet, stop in and say hello, and if I have, stop in and chat. I look forward to seeing you at the course. Jeff has the course in great shape, so come out and take advantage of the great conditions.
